

MERWIN M. GENEROSO

INFORMATION TECHNOLOGY STUDENT | WEB DEVELOPMENT | SYSTEMS & PROJECT COORDINATION

Sto. Tomas City, Batangas, Philippines | +63 967 310 7689 | generosomerwin10@gmail.com

Portfolio: generosomm.dev | LinkedIn: linkedin.com/in/generosomm | GitHub: github.com/generosomm

PROFESSIONAL SUMMARY

4th year Bachelor of Science in Information Technology student with hands-on experience in web development, database systems, API and systems integration, troubleshooting, and technical documentation. Experienced in leading student development teams, gathering requirements from stakeholders, translating workflows into technical tasks, and coordinating system implementation. Seeking an IT internship to apply my technical and problem-solving skills while gaining experience in professional application support and enterprise systems environments.

EDUCATION

Bachelor of Science in Information Technology — National University Laguna x Asia Pacific College

Expected July 2027

EXPERIENCE

Web Development Lead — Microsoft Student Community, NU Laguna

June 2025 – July 2026

- Led backend development for the organization's community website using Node.js, Express, and MySQL.
- Coordinated student developers on technical requirements, API integration, troubleshooting, documentation, and development progress.
- Established development workflows and documentation standards and helped resolve development issues to keep implementation consistent.

Capstone Project Lead — City Government of Sto. Tomas, Batangas

2025 – 2026

- Led requirements gathering, stakeholder coordination, documentation, and development planning for a PHP and MySQL document tracking system.
- Translated government workflow requirements into system features, technical tasks, and development priorities.
- Coordinated project progress, issue resolution, and system requirements with stakeholders throughout development.

Creator & Video Editor — ERO | VISUALS (@eroedtx)

August 2022 – Present

- Manage end-to-end freelance projects, including requirements, planning, asset organization, delivery, and performance review.
- Handle freelance client briefs, revisions, deadlines, and communication to deliver commissioned edits on schedule.
- Generated 70M+ documented views across available TikTok and YouTube analytics through consistent digital publishing.

Video Production Officer — NU Laguna School of Computer Studies Student Council

June 2025 – Present

- Coordinate and deliver multimedia projects for university events while maintaining organized project files and workflows.
- Collaborate with student officers on requirements, schedules, revisions, and project delivery.

PROJECTS

Goodness Gracious — Hotel EDI Integration System — *HTML/CSS/JavaScript, Firebase Cloud Functions, Firestore, Vercel*

- Led the Customer/Hotel node in a 5-team systems integration project connecting independent systems through API-based communication.
- Developed a hotel inventory dashboard covering orders, invoices, shipment tracking, stock levels, and audit logs.
- Implemented REST endpoints for exchanging ANSI X12-based EDI transactions and participated in cross-team integration testing.

Digital Creative Portfolio — *HTML5, CSS3, JavaScript, GitHub Pages / Vercel*

- Designed and developed a responsive portfolio website from scratch using a framework-free frontend and JSON-based content structure.
- Implemented custom animations, project showcases, and analytics displays to organize and present technical and creative work.

CORE TECHNICAL SKILLS

- **Programming & Web:** JavaScript, PHP, HTML5, CSS3, Node.js, Express, Responsive Web Development
- **Database & Systems:** SQL, MySQL, Firestore, Database Design, Backend Development
- **APIs & Integration:** REST APIs, API Integration, Systems Integration, EDI (ANSI X12)
- **Support & Tools:** Troubleshooting, Debugging, Technical Documentation, Git, GitHub, VS Code
- **Project & Operations:** Requirements Gathering, Stakeholder Communication, Progress Tracking, Workflow Organization, Remote Collaboration
- **Productivity & Creative:** Google Workspace, Microsoft 365, Notion, Trello, Adobe Premiere Pro, Adobe After Effects, Canva
